

DOCUMENTATION OF VIEWING SUID/AHT VIDEOS

245A.50 Subd. 5(e) States “Sudden unexpected infant death reduction training and abusive head trauma training required under this subdivision must be completed in person or as allowed under subdivision 10, clause (1) or (2), at least once every two years. On the years when the license holder is not receiving training in person or as allowed under subdivision 10, clause (1) or (2), the license holder must receive sudden unexpected infant death reduction training and abusive head trauma training through a video of no more than one hour in length. The video must be developed or approved by the commissioner.”

Please indicate the dates you watched the videos. Then send this form to your licensor or give it to your licensor at your next visit.
