

October 15, 2011  
8:00 a.m. - 12:30 p.m.

St. Paul Evangelical Lutheran Church  
100 West Sixth Street, Jordan, MN 55352

***Please join us for a  
"Hands On" class exploring the  
Zoo-phonics Methodology and  
Language Arts Program.***

The Zoo-phonics program enables early childhood teachers, Head Start teachers, parents, and Family Child Care Providers to effectively teach all aspects of language arts starting with the alphabet as the foundation for reading, spelling and writing. Zoo-phonics is a multisensory method that uses cute animal letters and body "wiggles" to teach children the alphabet, phonemic awareness, and the phonics, all taught through physical and playful games and activities.

Children need to wiggle to learn! Let them learn and wiggle at the same time!

The purchase of a kit is not required. You will learn many activities to do with the children in your care.

They offer the Zoo-phonics Essentials At-Home Program for Family Child Care providers
