<p>Cub 1198 Vierling Dr E, Shakopee 952-403-1620</p>	<p>6am-10pm</p>	<p>Providers must check in at the service counter and ask for the manager on duty. Once they meet the mgr, they are to identify themselves as a provider and indicate their need. It is not necessary to call ahead.</p>	<p>Store Manager, Scott</p>	<p>There is product set aside in the back room for providers. There are no limits on food, but struggling to keep items like canned goods in stock. The milk supply has been evening out. No limits on milk.</p>	<p>Have reached out to that email box on numerous occasions since this all began and have yet to receive a response. As I spoke with store managers, none of them seem to be utilizing that or receiving information from it. Everyone said that their own emails were the best option. Short-staffed and havevery little direction on how to coordinate, varies by</p>	
<p>Cub 14075 Hwy 13 S, Savage 952-447-1555</p>	<p>6am-10pm</p>	<p>It is helpful to know the day of or day prior to a provider coming in. Providers should stop by the customer service area and ask for the manager. The manager will then head to the backroom and help provide whatever they can.</p>	<p>Store Manager, Ambrose</p>	<p>They have some items set aside, such as toilet paper and paper towels.</p>	<p>I requested that the management team set aside bleach and cleaners, if possible. There are no limits on canned goods and they haven't experienced a shortage of milk.</p>
